

SILICON VALLEY
EDUCATION
FOUNDATION

*Are you a high school student at Yerba Buena or Andrew Hill?
Are you a graduating senior attending college this fall?*

Apply for the Meadows Neighborhood Scholarship

Congratulations! Continuing your education after high school is one of the best decisions you will ever make. It will open more doors for you, give you a better chance to receive a higher salary and offer you more options in life. We know that a college education can be expensive and want to let you know about these financial aid opportunities.

Scholarships Now Available

Thanks to the philanthropy of Bertha and Carl Ward, scholarships of \$500-\$1500 are available for graduating seniors currently attending Yerba Buena High School or Andrew Hill High School in San Jose, CA. Awards are made to the most qualified students in need of financial aid to support their academic career.

Application Process

Silicon Valley Education Foundation (SVEF) will be accepting and processing applications for the 2017 Meadows Neighborhood Scholarships. Awards must be spent within the 2017-2018 school year and may be used for tuition, books, supplies and other expenses necessary for your college education.

Apply Online

To apply, visit our website at www.svefoundation.org/scholarships to access the application or go to www.tfaforms.com/4600844. You will be asked to write a short autobiography and an essay on "Why do you want to go to college?". Completed applications must be submitted by no later than Friday, April 14, 2017. U.S. citizenship is not required. Applicants may reapply for the scholarship the following year.

More Information

For questions or more information, contact Bob Nichols at bob@svefoundation.org.

Silicon Valley Education Foundation is a nonprofit resource and advocate for students, educators, and corporate and individual donors. We drive scholastic achievement in the critical areas of math and science by combining resources and partnerships to provide innovative academic programs. We are a catalyst for policy solutions in public education. Our mission is to make Silicon Valley the leader in academically prepared students.
