2020 Teacher Job Description

Silicon Valley Education Foundation has been partnering with school districts since 2008 to offer Elevate [Math], a yearly summer intervention program to prepare students to successfully complete their next level Common Core math course. Elevate [Math]’s goal is to support “nearly meeting standard” students in their college and career pathway.

Elevate [Math] offers programs for rising 3rd - 10th graders.

Elevate Every Summer!

| Professional Development | 1. **Program Training (26 hours)**  
Must attend all pre-program training which will be held through Zoom  
**Day 1:** April 25th, 7:30am-4pm  
**Day 2:** May 2nd, 7:30am-4pm  
**Day 3:** May 30th, 7:30am-4pm  
**Training with College Mentor:** TBD (2 hour)  
2. **Professional Learning Communities (6 hours)**  
Meet with your Elevate [Math] coach and other teachers to share common classroom misconceptions and learn best practices.  
3. **Continuing Education Units (2 units)**  
Earn up to two CEUs for attending PD |
|---|---|
| Program Times | The 19-day (3rd-8th grade) and 24-day (9th-10th grade) programs will run approximately mid-June through end of July.  
Each session runs on average for four hours a day, but are determined by district needs |
| Location | Each class is held at a specific site determined by each district, or will be virtual due to distance learning requirements. |
| Compensation | **Elementary & Middle School Programs:** $5700 (payroll taxes apply)  
**High School Programs:** $7200 (payroll taxes apply)  
*Full compensation includes fulfillment of all PD and PLC dates, daily instruction, and required logistics.*  
**Referral Bonus:** Receive a $100 bonus if a referred teacher completes the summer program.  
**Early Signing Bonus:** Sign up by January 12th, 2020 and receive either wireless headphones, a solar powered device charger, or a drone! |
Why Elevate [Math]?

● Help students prepare for success in math using curriculum that closely aligns with Common Core State Standards and Smarter Balance testing.
● Learn and practice different instructional strategies and use a blended learning model.
● Professional development offers new tools and strategies for Common Core teaching.

Responsibilities | Duties

● Oversee and provide instruction for a classroom, or in a virtual class.
● Ensure meeting of goals for increasing student math understanding, building study skills, and strengthening aspirations for college
● Facilitate the pre-post assessment plan, attitudinal surveys, and other assessments for teachers and students
● Integrate technology to strengthen access to online curriculum and tools
● Track attendance and communicate students’ attendance concerns with families and Elevate [Math] staff
● Pick up supplies from our office in San Jose, California

Qualifications | Background

● California Teaching Credential (preferably in math and/or science)
● District-specific fingerprinting is required. Costs will be reimbursed by SVEF.
