SVEF PROUDLY PRESENTS THE FIRST OF MANY

# BOLD CONVERSATIONS ABOUT EQUITY

CONVERSATIONS ABOUT WHAT IS  
HAPPENING NOW IN OUR COMMUNITY

Join us for an evening of courageous conversations and listen as men share their story of being a black male in America. Meet and talk with individuals from across the country as we collaboratively reflect on issues of race and equity in society that have impacted black men and their educational journey. Interact with the panel in small groups and ask your questions and wonderings.

Moderated by:  
Dr. Eric Andrew, CEO  
Efficacious LLC

## Multi-Generational Stories of Black Males
